

Chief Financial Officer

Regional finance leadership across Asia Pacific — controllership, FP&A, and commercial finance.

DEPARTMENT Finance	LOCATION Hong Kong
REPORTS TO Regional CEO, Asia	DIRECT REPORTS Financial Controller · FP&A Lead · Commercial Finance Lead

PURPOSE

CFO for the Asia Pacific finance function of a regional business headquartered in Hong Kong. Owns the regional finance operating model — controllership, FP&A, and commercial finance — and supports the Regional CEO on plan, forecast, and investment cases. Not a listed-company statutory signatory and not a Board seat.

KEY RESPONSIBILITIES

- **Lead the full regional finance function** (controllership, FP&A, commercial finance) across Asia Pacific markets; set structure, hiring, and ways of working for the function.
- **Own the regional budget, rolling forecast, and management accounts;** run complex variance and scenario analysis for the Regional CEO.
- **Improve close, forecast, and reporting processes** (systems, calendars, and playbooks); do not set group-wide policy.
- **Partner internally with Country GMs, Sales, Operations, and HR** on pricing, headcount, and capex cases — multiple parties outside finance, still internal.
- **Recommend regional investment and resource cases;** P&L ownership sits with the Regional CEO. Impact is functional strategy in support of the region.
- **Coach country finance leads;** escalate group statutory, treasury, and investor matters to Group Finance.

DECISION RIGHTS

APPROVES	Regional finance organisation design and reporting calendar, within group policy.
RECOMMENDS	Forecast assumptions and investment cases; does not approve group capital structure, dividends, or external financing.
NO ACCOUNTABILITY	No Board, Audit Committee, or external investor accountability.

QUALIFICATIONS

- **Qualified accountant.** 12+ years in finance, including leadership of a multi-country or regional finance team.
- **Strong FP&A and commercial-finance background;** experience improving processes across markets.
